

Top Tips for 100% Attendance

School starts @ 9:20am
School finishes @ 3:25pm

Holidays in school time may be less expensive
but your child's education is priceless!

Every day at school counts!

- If your child is off school, you must let the school know why and tell them when they can expect your child back at school.
- Make all appointments for the doctor, dentist, optician etc after school hours or during the school holidays where possible.
- When your child attends school on a regular basis, they take an important step towards reaching their full potential and are given the greatest opportunity to learn new things and develop their skills.
- If a child is absent just one day a week, over the course of their school career they will miss two years of schooling.
- The more time your child spends around other children, whether in the classroom or as part of a school team or club, the more chance they have of making lots of friends and feeling included, boosting social skills, confidence and self esteem.
