LG3 - WRL

- You are going to interview your household about their current and past jobs. (You could also phone or facetime family members who do not live with you). You could write down their answers or record/video it like it is a real interview.
- Find out all the different jobs that people in your family have done.
 - What did they do in that job?
 - Where did they work?
 - Did they need to be trained to do the job?
 - How long did they work there for?
 - Did they need to wear a uniform or special clothes?
 - Did they use any special equipment?
 - Did they enjoy their job? What was it like?
 - Why did they leave this job? (If they did)
 - What advice would they give you as you start out on your journey into the world of work?
